The organizer of the Third Kazakhstan Venous Forum:

Kazakh Society of Phlebology (KSP)

Chairman of the Third Kazakhstan Venous Forum

Professor Tokan Sultanaliyev, President KSP, Kazakhstan

Presidium of the Third Kazakhstan Venous Forum

Prof. Askhan Smailov, Kazakhstan
Prof. Abdimazhit Bepayev, Kazakhstan
Prof. Vadim Bogachev, Russia
Prof. Victor Canata, Paraguay
Prof. Tolegen Egemberdiyev, Kazakhstan
Prof. Sergio Giancesini, Italy
Prof. Lowell Kabnick, USA
Prof. Ruslan Kalyshev, Kazakhstan
Prof. Marat Konysov, Kazakhstan
Dr. Nursultan Kospanov, Kazakhstan
Prof. Sergei Lokhvitsky, Kazakhstan
Dr. Shoaib Padaria, India
Dr. Malay Patel, India
Dr. Irlan Sagandykov, Kazakhstan
Prof. Evgeny Shaydakov, Russia
Prof. Serik Tursynbayev, Kazakhstan
Prof. Bachtiyer Tursunov, Uzbekistan

PROGRAM

of the Third Kazakhstan Venous Forum

21-22 of May, 2021, Almaty

Day 1
21st of May, Friday

Almaty time =
= GMT +6, = BST (British Summer Time) +5, = CEST (Central European Summer Time) +4, =
Cairo Time +4, = Moscow Time +3, = Ankara Time +3, = Tbilisi Time +2,
= Indian Time +30 minutes, = Eastern Daylight Time (EDT) (USA) +10, = Paraguay Time +10,
= Central Daylight Time (CDT) (Mexico)+11, = Malaysia Time -2

14:15-14:25	Welcome Speeches: Prof. Tokan Sultanaliyev , President of the Third Kazakhstan Venous Forum, Prof. Evgeny Shaydakov (Saint Petersburg, Russia), President of Saint Petersburg Venous Forum, Dr. Malay Patel (Ahmedabad, India), Member of Executive Committee of UIP
14:25-15:55	Section 1 Moderators: Tokan Sultanaliyev, Evgeny Shaydakov, Askhan Smailov, Vadim Bogachev, Serik Tursynbayev, Marat Konysov
14:25-14:35	Shaydakov E.V., Sannikov A.B. (Russia) Application of the Russian adhesive “VenoGlueRus” in the obliteration of the main superficial veins in case of varicose veins
14:40-14:50	Kalyshev R.S. (Kazakhstan), Bulatov V. L. (Russia), Ashimov N.T. (Kazakhstan) Great saphenous vein in distal bypass grafting as an unreversed autovenous graft
14:55-15:05	Liew N.C. (Malaysia) Management of venous ulcer: a tropical country’s experience
15:10-15:20	Bulatov V. L. (Russia) Methods for assessing thrombotic load in the inferior vena cava system
15:25-15:35	Patel M., Varghese R. (India) Compression in soft tissue infections
15:40-15:50	Jindal R. (India) Endovenous interventions for Klippel-Trenaunay syndrome: long term follow up with modified laser protocol
16:00-17:20	Section 2 Rashad Bishara, Bahtiyer Tursunov, Abdimazhit Bospayev, Marat Konysov, Irlan Sagandykov
16:00-16:10	Azimbayev G.C., Mun Y.V. (Kazakhstan) Endovascular treatment and prevention of deep vein thrombosis: our experience
16:15-16:25	Bishara R. (Egypt) Recanalisation of post-thrombotic occlusion of the iliac veins and IVC
16:30-16:40	Doganci S. (Turkey) Anticoagulation after Deep Venous Stenting

16:45-16:55	Tursunov B.Z., Temirov S.N. (Uzbekistan) Renal vein stenosis: a variant of anatomy or pathology
17:00-17:15	Padaria S. (India) Prophylaxis for Venous Thrombo-embolism in pregnancy and post partum period
17:20-17:30	Visiting a virtual medical exhibition
17:30-18:35	Servier Symposium
17:30-17:50	Moderator: Askar Matkerimov
17:30-17:50	Sapelkin S.V. Edoxaban: what does the emergence of a new representative of the group of oral anticoagulants (POAC) give us for our clinical practice?
17:55-18:35	Moderators: Vadim Bogachev, Askhat Sharipov
17:55-18:15	Bogachev V.Y. Aesthetic phlebology. First clinical guidelines
18:15-18:35	Khryshyanovich V. Ya. Clinical efficacy of phlebotropic therapy after endovenous mechanochemical obliteration.
18:35-18:45	Visiting a virtual medical exhibition
18:45-20:40	Section 3 Moderators: Victor Canata, Dmitry Rosukhovsky, Ravul Jindal
18:45-18:55	Bogachev V.Y. (Russia) Laser correction of dilated veins of atypical localization
19:00-19:15	Canata V. (Paraguay) Sclerotherapy: new trends and tricks
19:20-19:30	Canata V. (Paraguay) CLaCS with polidocanol: is it feasible?
19:35-19:45	Rosukhovsky D.A. (Russia) Russian clinical guidelines for aesthetic phlebology
19:45-19:55	Rosukhovsky D.A. (Russia) Why do I choose LASTIK for telangiectasia elimination?
20:00-20:10	Burumkulov E.R. (Kazakhstan) Thermal obliteration of reticular veins and telangiectasias with autoplasmogel in experiment and clinical practice
20:15-20:25	Kaztuganov Zh.K. (Kazakhstan) Laser therapy of reticular veins and telangiectasias with ND Yag 1064 nm laser
20:30-20:40	Sharipov A.S. (Kazakhstan) Aesthetic laser-sclerotherapy: are there new opportunities?
20:50-22:00	Section 4 Moderators: Zaza Lazarashvili, Roy Varghese, Sergio Giancesini, Galimzhan Azimbayev
20:50-21:00	Aidashova B.B., Zhurabekova G.A. (Kazakhstan), Ibrahim A.A. (Kuwait), Bildebekov Y. A., Almakhanova D. Zh. (Kazakhstan) Ultrasound diagnosis of pelvic varicose veins in women: case series
21:05-21:15	Giancesini S. (Italy) Pelvic venous disorders thrombotic risk: are we considering it?
21:20-21:30	Serralde J.G. (Mexico) How to Understand the Pelvic Venous Disorders
21:35-21:45	Lazarashvili Z. (Georgia) Pelvic vein embolization due to pelvic disorders: Indications and Technique
21:50-22:00	Rosukhovsky D.A. (Russia) Outpatient treatment of varicose veins of the perineum in women

Day 2

22nd of May, Saturday

Almaty time =
 = GMT +6, = BST (British Summer Time) +5, = CEST (Central European Summer Time) +4, =
 Cairo Time +4, = Moscow Time +3, = Ankara Time +3, = Tbilisi Time +2,
 = Indian Time +30 minutes, = Eastern Daylight Time (EDT) (USA) +10, = Paraguay Time +10,
 = Central Daylight Time (CDT) (Mexico)+11, = Malaysia Time -2

15:45-16:45	Bayer Symposium Moderator: Igor Suchkov
15:45-16:05	Suchkov I.A. Optimal anticoagulant therapy for cancer-associated thrombosis
16:05-16:25	Kuznetsov M.R. Practical aspects of antithrombotic therapy in special groups of patients with VTE
16:25-16:45	Matkerimov A. Zh. How to save the life of a patient with VTE?
16:45-16:55	Visiting a virtual medical exhibition
16:55-19:00	Section 5 Moderators: Ruslan Kalyshev, Nurlan Ashimov, Serik Kirgizbayev
16:55-17:10	Mukatova I.Yu. (Kazakhstan) Chronic thromboembolic pulmonary hypertension - a formidable complication of PE
17:10-17:25	Kalyshev R.S. (Kazakhstan) Compression therapy in treatment and prevention varicose veins.
17:25-17:35	Markin S.M. (Russia) Specificity of lesions of the venous wall during non-thermal operations: results of an experiment with the participation of animals
17:35-17:45	Demekhova M.Yu.(Russia) Current trends in the treatment of lymphedema. Is there a panacea?
17:50-18:00	Gantimurova A.A. (Russia) Benefits or harms of exercise for chronic venous disease?
18:05-18:15	Kaikenov B. T. (Kazakhstan) Radiofrequency ablation in varicose vein treatment
18:15-18:25	Chinaliyev A.M. (Kazakhstan) The use of compression hosiery in the postoperative period in cancer patients
18:30-18:40	Matkerimov A. Zh. (Kazakhstan) Correction of endothelial dysfunction in patients with venous ulcers and diabetic foot
18:45-18:55	Luis Rene Arias Villarroel (Bolivia-Mexico) Severity assessment in CVI (VCSS)
19:00-19:15	Visiting a virtual medical exhibition
19:15-21:20	Section 6 Moderators: Lowell Kabnick, Ayman Fakhry, Denis Borsuk, Shoaib Padaria
19:15-19:25	Fakhry A. (Egypt) Laser crossectomy versus anterior saphenous vein ablation in treating anterior saphenous vein reflux
19:30-19:40	Kabnick L. (USA) Superficial Venous Ablation in the Elderly
19:45-19:55	Udris I. (Latvia) Total EVLA-the next step in vein surgery

20:00-20:10	Prufer M. (France) Total Endovenous Laser Ablation
20:15-20:25	Vega F.R. (Mexico) Distal crosssectomy as alternative in the treatment of venous ulcer
20:30-20:40	Whiteley M. (UK) Early results of Sonovein and Sonovein S (High Intensity Ultrasound – HIFU) treatment of varicose veins
20:45-20:55	Borsuk D.A. (Russia) Risk of damage to the saphenous nerves with endovenous laser obliteration
21:00-21:10	<u>Kalyshev R.S., Mikhailichenko M.V., Ashimov N.T., Utegenova B.Zh. (Kazakhstan)</u> Endovenous laser obliteration of the great saphenous vein with its dilatation near from SFJ more than 25 mm
21:10-21:20	Sharipov A. S. (Kazakhstan) Laser crosssectomy in treating of main saphenous veins reflux: single-center experience
21:20	Closing of the conference
